Dear Parent/ Carer

School Transport September 2021/22

We have agreements with all our providers that the same School services will be offered in the next School year. This may return to the sole use of First Bus for the Doncaster services; however, we await more information on this, however, all the current routes will be maintained for September 2021.

As a School we will continue to offer subsidised services covering the 3 areas that are not covered by First or Nottinghamshire Council, the routes listed below will be organised by School:

Route 1	Commencing at Campsall then stopping at Toll Barr and Bentley and then directly on to school
Route 2	Commencing at Denaby Main then stopping at Conisbrough, Sprotbrough and then directly on to school

These services will only run in the morning and pupils will have to make their own way home in the afternoon. The services will be subsidised by the School, however, there will be a fee £17.27 per month per pupil for this service. This will have to be paid a month in advance to reserve a place.

Route 3	Commencing at Tickhill straight to McAuley and then a Return in afternoon from McAuley to Tickhill.
------------	---

The cost of this service is £58.81 per month per pupil. This will have to be paid a month in advance to reserve a place.

Please email mallison@mcauley.org.uk by 19th July with name and address and which route you would like.

Booking on these services will be on a first come, first serve basis. Once you have reserved the seat you will receive further information.

Pupils traveling from the Retford area via the Wilfreda Beehive service will receive timings of these routes shortly.

Routes run by First and Wilfreda can be found on the South Yorkshire Route Planner <https://travelsouthyorkshire.com/en-GB/LandingPage/school-buses>. This is likely to be up and running by late July or early August.

Many thanks for all your support regarding the new transport arrangements.

Yours sincerely

M Allison
